My dear Sir

With many thanks I
return herewith the papers
you kindly sent me

I have not the slightest
objection to you doing away
with the name of Bhashyam
in Sabha as we do not
exist in reality

A Scholar, & a gentleman

Of course I started
with a grand programme,
and found to my sorrow
that Mrs. Shamrock worked
hard & steady for a month
& gave me one or two
fellow workers to consort
with him occasionally,
and what little has been
achieved is due to him

If he has no objection
doing away with the name
Khartoum Gordon Col
I certainly have none

With regard to Palace
Continuing the month's
Subscription for Rs 30—

The Palace led the way—
in granting scholarships
in many Departments of Study
expressing encouragement

to deserving students to go
to Madras for the B.A. Course
Medicine Engineering etc
until the Govt took it up
Before this my uncle & his Pangal chary
were as it were, (two of) the princes
to enjoy this benefit

Following this line of policy
the Palace will now see
fit to discontinue the
subscription of Rs 30 the Govt
taking up the work which

it can well afford to take
care of

By way of suggestion permit
me to mention that the scale of
pay you have put down for the
Japanese masters for the Training
School is not such as will secure
Kono Basanpah for that post
He is the best Japanese teacher
& scholar, & I have now no hesitation

As this has employed me the
Mahamaya Okya & Bhadhoj from
and drawn about forty
from both these institutions

Yours &c
